TO MANUFACTURERS: THE BUILDing and Lands Committee of the dipy of Manchester offers to those in search of a desirable manufacturing site, a highly desirable factory building located at said city immediately upon the Atlantic Coast line Railroad, and with ample shipping facilities.

The building is a large, modernly built, two-storied brick one, about 25,000 feet floor space, steam-fitted, and adapted to most any form of manufacturing enterprise. The city has an exceptionally favorable graded manufacturers' tax, and extends to all now enterprises a full five-year tax exemption.

The committee will entertain applications for either lease or purchase. Possession after October 16, 1908.
